Leg 15/3/48 for 15 days

From the statement given in Flag H, it will be seen that the venue for the Shandy at Bewdley and on the recipese for years. Shrewsbury is only 5½ miles from Price and its fairs mostly consist in covenants the Shandy is also held on Thursdays during wh the apprehension of the Chairmanship does not lose a few sheep if removed if the date of the Shandy is altered seems to be well justified to meet the circumstances. Sir,

Subject - Holding of weekly Sandies at Birur on Thursday instead of on Saturday

I have the honour to forward herewith the file of correspondence ending with letter No. L C 23/46-47 dated 1st September 1947 from the President Town Municipal Council Birur on the above subject and to state as follows -

1) The Birur Town Municipal Council passed a resolution on 31-8-1946 that the weekly shandy at the place may be held on every THURSDAY " instead of on " SATURDAYS" as at - present This change is proposed by the Council as it is said to be advantageous to the merchants and that the - financial position of the Municipality would improve No objections for the proposed change were received in response to the Notification issued by the Municipal President on - 15-9-46

2) The Chikmagalur District Board are not agreeable to the proposed change for the following reasons

(a) That the change affects the financial position of the Board to the extent of Rs 1,000/- per annum.

(b) That the trade of cocoanuts and Copras at Sivapura, (which is at a distance of 5 miles from Birur and where the sandies are held on Thursday nights) will fall down and that it will be great inconvenience to both the sellers and buyers of cocoanuts

(3) The Town Municipal Council, Birur, who were intimated of the objections raised by the District Board, have again resolved on 31-8-46 that those objections are not convincing

for the

for the reasons indicated below -

(a) That there is absolutely no difficulty to hold the Shandy at Sivagiria during Thursday nights, as at present, even if the Shandy at Biaura held during daytime on Thursdays.

(b) That the income to be derived by holding Shandy at Sivagiria being only Rs 600/- to Rs 700/- per annum, the proposed change will not affect the financial position of the Board, which has a large income from other sources

(c) That the proposed change will improve the low financial position of the Batur Municipality and this increase in income will help the Municipality to a great extent to attend to its day to day administration

In this connection, I am of opinion that, as the Shandy is held at Sivagiria during nights on Thursdays, the holding of the Shandy at Biaura during day time on Thursday will not affect the Shandy at Sivagiria The objections raised by the District Board are untenable The Batur Municipality have to bear the expenditure of a Municipal High School and the resources of the Municipality are slender The closing funds of the Municipality both as per the budgets of 1946-47 and 1947-48 continue to be below the prescribed minimum It is quite necessary to augment the resources of the Municipality As the proposed change would improve the income of the Municipality, I recommend that sanction of Government may be obtained approving of the resolution of the Municipal Council to hold the weekly Shandy at Biaura on every Thursday instead of on Saturdays as at present

Sir,

Subject: Holding of cattle shandies at Pirur on Thursdays instead of on Sundays
=======

With reference to our letter No. 10007 dated 10-11-47 I have the honour to note below the income derived by the shandies at Pirur and Shivapura during the past five years

	Income from Pirur shandy	Income from Shivapura shandy
1943-44	810-0-0	1330-0-0
1944-45	810-0-0	1165-0-0
1945-46	1060-0-0	1700-0-0
1946-47	775-0-0	1675-0-0
1947-48	500-0-0	1800-0-0

2 As already stated in the office letter dated 10-10-1947, the proposal to hold the shandy at Pirur on Thursdays will not affect the shandy at Shivapura, as the former is held in the afternoon, while the latter during night Considering the distance of Shivapura from Pirur (5½ miles) the proposal is quite feasible While the finances of the Town Municipality, Pirur will improve to some extent, by this arrangement, the finances of the District Board are not affected considerably, as alleged by the Board

3 The rough sketch showing the location of the shandies is also enclosed as desired by you.

4 In these circumstances, I request that a thread bare order, sanction of Government may be obtained for the proposal of the Town Municipal Council, Pirur The letters Nos. J.C. 99/47-7 dated 17-11-1947 and No. 2-C 100/47-48 dated -2-48 from the Presidents of the Town Municipal Council, Pirur and District Board-Chingleput respectively are enclosed
